FEATURED PROJECT

Iron Tree Lodge | Blue Ridge, GA

We had the pleasure of completing this modern lodge from the ground up, creating a second home and rental property that perfectly balances luxury and functionality. Every detail was carefully crafted, resulting in a home that reflects both rustic charm and modern elegance...

WHAT'S TRENDING

Bold Wall Treatments

Transform your walls into a canvas of creativity! Homeowners are exploring the nearly endless possibilities with bold wallpaper, wood paneling, paint colors, grasscloth, and more. Your walls are a great way to elevate your space and show off your unique style.

INSIDER TIPS

Ceiling Height Hacks

To make a room feel taller, paint the ceiling a lighter shade than the walls. Vertical stripes on the walls can also draw the eye upward and create the illusion of height, as can curtains that are positioned farther up the wall.

YOUR QUESTIONS, ANSWERED!

Reader Q&A Spotlight

How involved are your designers throughout the design process?

Our designers are highly involved from start to finish. We consistently check in on our builders, oversee every detail of installation, and ensure everything is flawless for reveal day. This allows us to deliver a seamless and personalized experience, guaranteeing that every aspect of the project aligns with our client's vision and expectations.
